"Student exchange is the opportunity to do and see things you have never dreamed of. Gain a second family, new friends and become a local in another culture. A journey of self-discovery and personal growth filled with unforgettable memories."

Ambrose and Enoch

"An Exchange is an experience, never to be forgotten. It shaped part of my character and changed my view on life. I had the best time of my life in Perth."

Brian

"I have gained so much knowledge about Perth and the world through my host-family and friends. I have also become independent, outgoing and confident. I will cherish all the amazing experiences I've had!"

Marcus

"I now feel comfortable approaching strangers and find it easy to form new friendship. I am no longer as anxious or shy about meeting new people. The building of my interpersonal skills will help me greatly in the future as I feel like I can now communicate easily with anyone."

Edmund

"Spending over eight hundred thousand seconds in a different environment should be difficult. Taking part in the student exchange programme provides us an opportunity to move a step forward. You will know there is so much for you to explore."
